Under the circumstances the Request of the Registrar is for orders.

5) The points raised by the Registrar are :—

(i) The kind of University Professors to be included in class II of Precedence list; i.e. whether all Professors drawing 500 & above or only those in the old grade 500 - 1000.

(ii) In what class of the Precedence list, do Professors in the revised grade of Rs 700 - 30 - 850 come?

(iii) Whether the transfer of the Registrar from class II to class III to come into effect immediately, or after a change of incumbent.

6) It is seen from the general arrangement of the Precedence List, that class I includes important Heads of Depts. drawing Rs 1400 & above; class II consists of officers of the Status of Deputy Commissioners and Heads of Depts of ~~equal~~ similar Standing (e.g. Director of Health, Comptroller etc), while class III is meant for officers below that Status but drawing above Rs 500.

NOTE—Contn Sheet.

WD 03594—GPB—30,000—13-7-35

The item "Educational officers on Rs 500-1000 and the Registrar Mysore University" ~~has~~ was included in class II since 1917 H H.

When the Precedence List was revised on the recommendations of a special committee. There has been a specific grade of I class Professors on a grade 500-50-1000 and the Registrar of the University at that time was an Officer (Mr J. Denham) drawing Rs 1000/-. The status of these is analogous to that of Dy. Comrs & other offrs ~~were~~ included in ~~Rs~~ class II of the List. Officers on Rs 400-30-700 or ~~Lay officers~~ in other grades who may merely ~~may~~ happen to draw a pay intermediate between Rs 500 and 1000 (say - Deputy Directors of P.I.) do not come under class II, but go into class III (if they get above Rs 500 and above) under the category of offrs drawing Rs 500 & above.

~~2 of appt~~ 7) As regards the new grade of Rs 700-30-850 referred to by the Registrar, ~~Rao~~ so far there is no officer in this grade. (All the Senior men are in 500-1000 drawing Rs 1000 & the next set of offrs are ~~drawing~~ in 400-700). The question ~~is~~ would come up for consideration when any offrs on Rs 700 in 400-700 are hereafter promoted to Rs 700-30-850. On this point

Serial No.

It is submitted that there are now in class III the following :—

Executive Engineers : 500-35-850 (old grade)
: 450-$\frac{50}{2}$-750 (new grade)
Superintendent, Govt. Printg : 500-$\frac{50}{2}$-750
Dy. Director of Agri : 700-$\frac{50}{2}$-800
Dy. Chief Elec. Engr. : 450-$\frac{50}{2}$-750

It is for order as to whether the officer that may in future be promoted as I Grade Professor on 700-30-850 may be included in class III (with Executive Engineers), or whether they may be placed in the next higher class (with Dy. Comrs).

8) As regards the Registrar, it is submitted that the transfer of this post from class II to class III was in view of the change in the ~~rate~~ States. The first Registrar was drawing Rs 1000. Some years back the scale of the pay of Registrar was fixed at Rs ~~1000-50-1250~~ 400-30-700, but the present incumbent was given a personal fixed pay of Rs 400 & not given the grade. He has recently been ~~given the~~ given a (400-25-700) grade also and started on 450 from 16.5.36. ~~In the absence of other instructions~~ An enquiry is now made by the Univrsity as to whether the change of class is to come into effect immediately or only on change of incumbent. In the absence of Special orders to the Contrary, the order applies

9) I submit that consistent with the dignity of the University the following order of precedence may be amended/added

(1) Since the grade Rs 700-30-850 has taken the place of the grade of Rs 500-50-1000, all officers in this new grade may come under class II of the precedence list. The principals of the colleges taking precedence over ordinary professors.

(2) As regards professors in the grade of Rs 400-25-700, they may come in class III, on the analogy that the Registrar's place has recently been fixed in class III.

(3) The present Registrar will have to take his place in class III as per orders of Government already passed. There can be no question of a personal claim or personal favour.

Submitted to His Highness.

14) In Order dated 23rd June 1936, His Highness was graciously pleased to approve of certain changes being made in the Durbar Precedence List, one of these being the transfer of the post of the Registrar, Mysore University, (carrying a pay of Rs.400-700) from Class II to Class III.

15) 2. With reference to the revised list issued accordingly, the Registrar of the Mysore University, has asked for instructions on the following points:-

(i) Whether the item "Educational Officers drawing Rs.500-1000", in Class II, refers only to those officers who are actually in the grade Rs.500-50-1000, or whether it includes all officers whose pay is Rs.500 and above;

(ii) whether officers in the new grade of Rs.700-30-850 come under Class II;

(iii) whether the order transferring the Registrar of the University from Class II to Class III is to be effective immediately or to come into force when there is a change in the incumbent of the office.

16) 3. From a general study of the kind of the posts included under Classes II and III, it is apparent that Class II is intended to include Heads of Departments drawing less than Rs.1,400/- but more than Rs.800/-, and officers of the rank of the Deputy Commissioners, District Judges, etc. Executive Engineers (old grade Rs.500-35-850, revised to Rs.450-50/2-750), Deputy Director of Agriculture (Rs.700-800) etc., are included only in Class III under which are also brought "all other officers drawing Rs.500 and above".

17) 4. In the University, there is a specific grade on Rs.500-1000 and the reference in Class II is apparently to officers in this grade the maximum of which goes up to Rs.1,000. Officers in the grade of Rs.400-700 have to be ranked only in Class III and it is on this basis that the post of the Registrar was recently transferred from Class II to Class III. The grade of Rs.500-1000 has, however, since been abolished and the pay of a First Grade Professor has been revised to Rs.700-30-850. Officers that may be appointed to this new grade may be in Class II of precedence list.

Submitted to H. H. (contd.)

18) 5. As regards the question whether the transfer of the Registrar from Class II to Class III is to come into effect immediately or only on a change of personnel, the present incumbent of the post is drawing a pay of Rs.450/- in the grade of Rs.400-25-700 and there is no sufficient justification for continuing him in Class II on personal grounds.

Page 8 of 19 6. The above views are agreed to by the Members of Council and myself and gracious sanction of His Highness is solicited to issue instructions accordingly.
